RAC Project Approved and Recommended to Designated Federal Officer

Forest Supervisor's Check List for RAC Projects
Salmon – Challis National Forest
Central Idaho Resource Advisory Committee

Project Name: _____

Project Number: _____

Date: _____

The Resource Advisory Committee's proposed projects must satisfy each of the following conditions:

X (1) The project complies with all applicable Federal laws and regulations.

X (2) The project is consistent with the applicable resource management plan and with any watershed or subsequent plan developed pursuant to the resource management plan and approved by the Secretary concerned.

X (3) The project has been approved by the resource advisory committee in accordance with section 205, including the procedures issued under subsection (e) of such section.

X (4) A project description has been submitted by the resource advisory committee to the Secretary concerned in accordance with section 203.

X (5) The project will improve the maintenance of existing infrastructure, implement stewardship objectives that enhance forest ecosystems, and restore and improve land health and water quality.
